*Ajuda a Abelha a encontrar o caminho da Flor...*

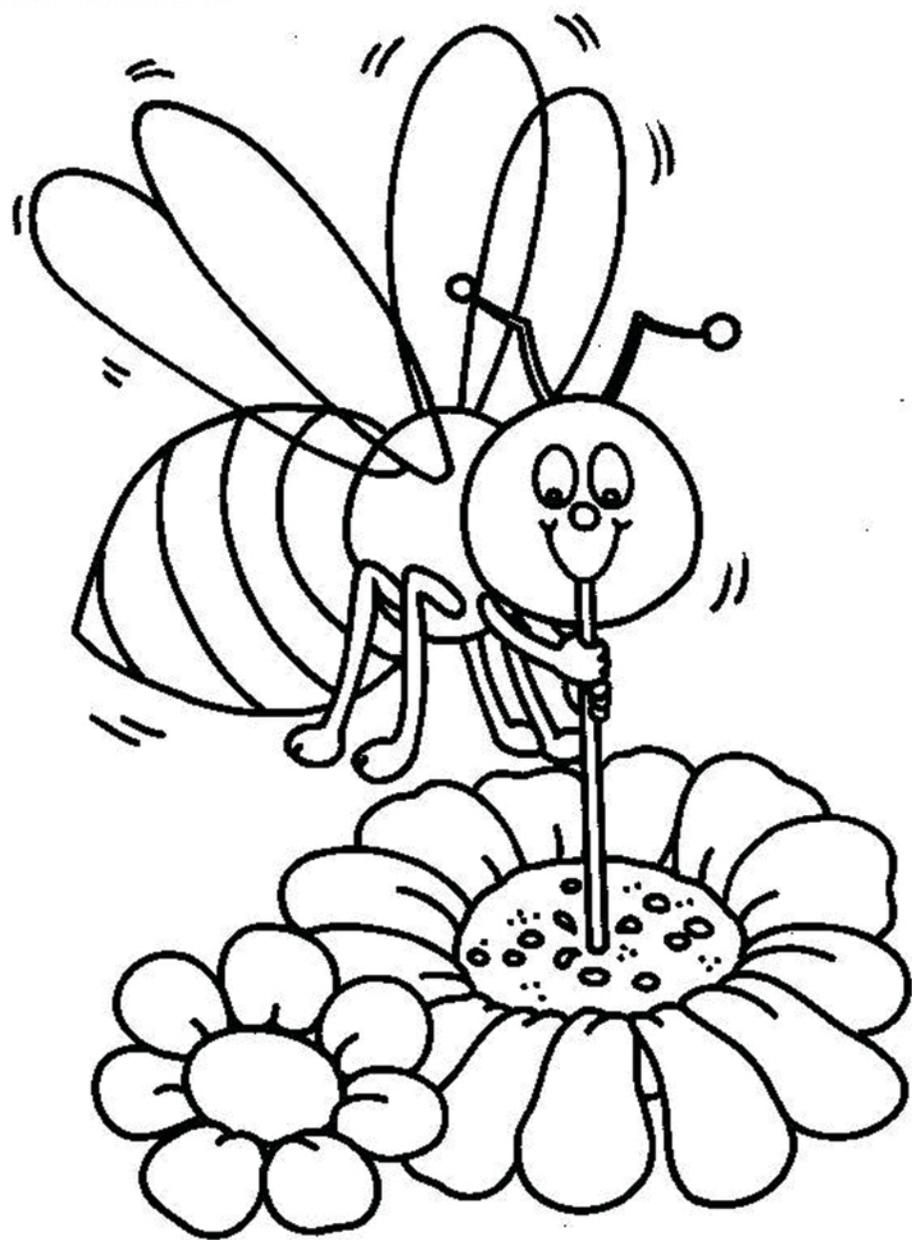

*Para Colorir...*

*Liga os Pontos...*

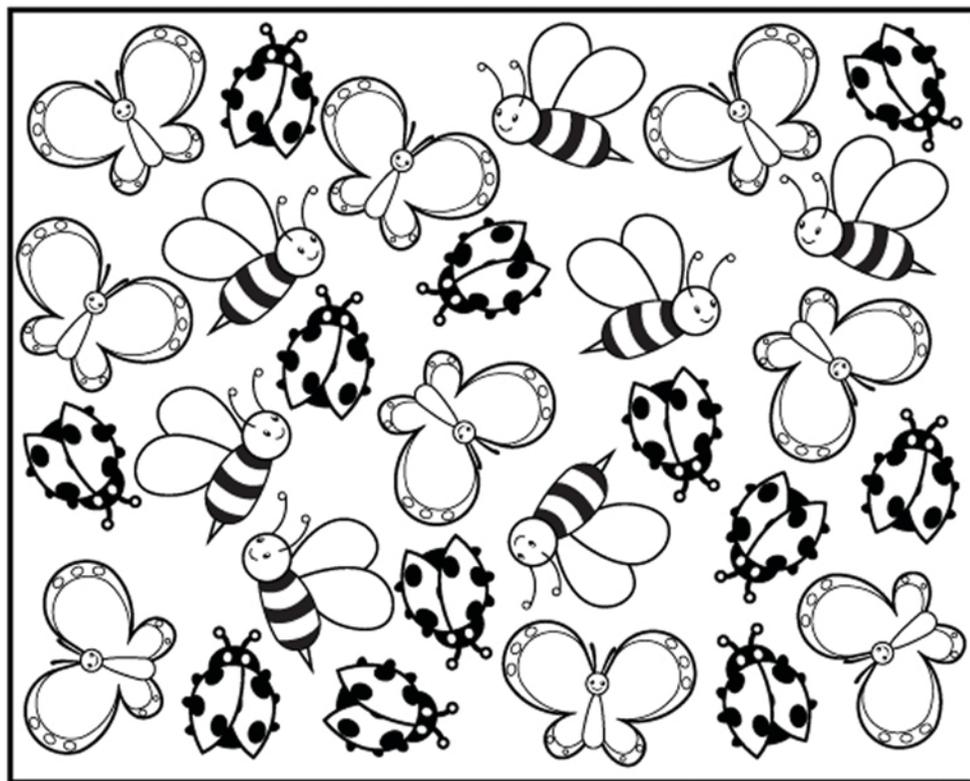

*Para Colorir...*

Observe o quadro abaixo e responda:

- 1** Quantos insetos há no quadro? \_\_\_\_\_
- 2** Se 2 borboletas voarem, quantas restarão? \_\_\_\_\_
- 3** Se chegarem 3 joaninhas, quantas ficarão? \_\_\_\_\_
- 4** Quantas abelhas e borboletas há no quadro? \_\_\_\_\_

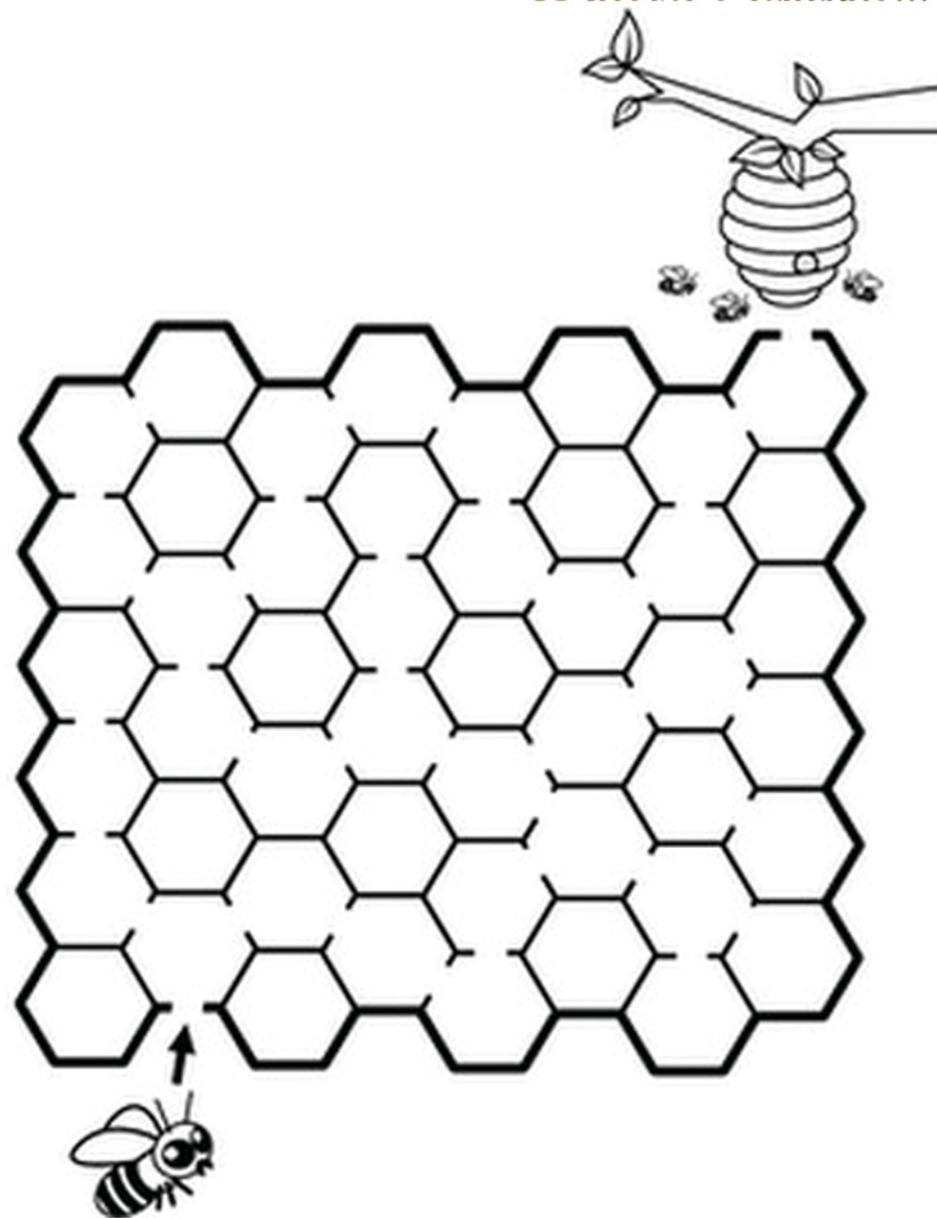

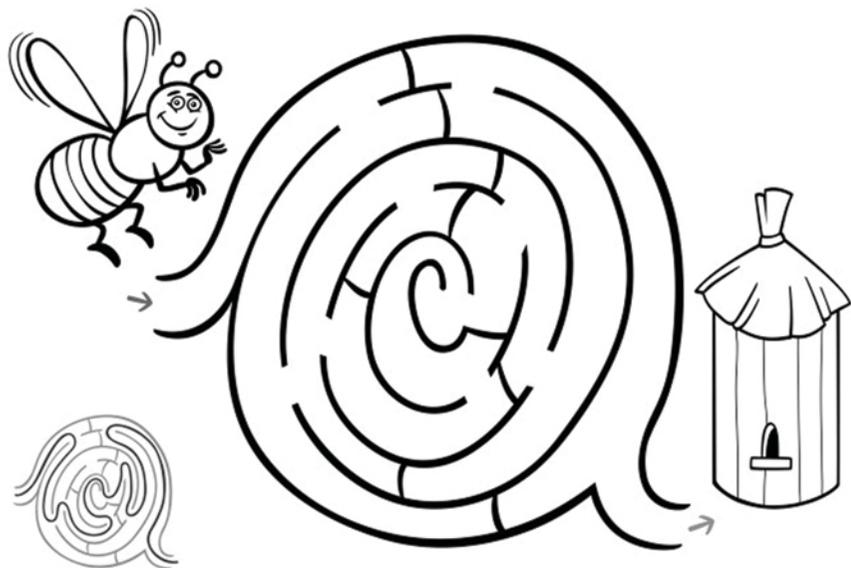

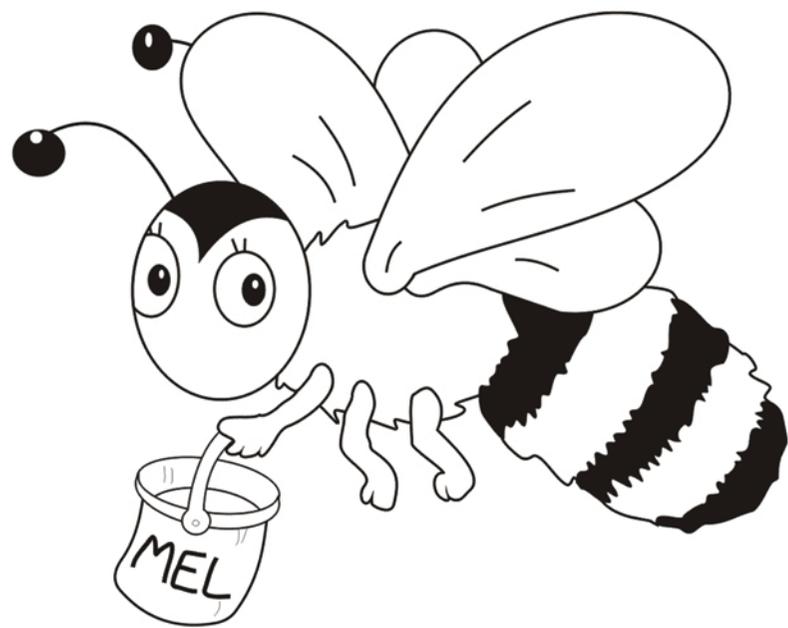

*Para Colorir...*

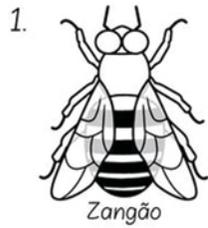

*Liga os Pontos...*

*Descobre o caminho...*

Ligue cada abelha a sua função.

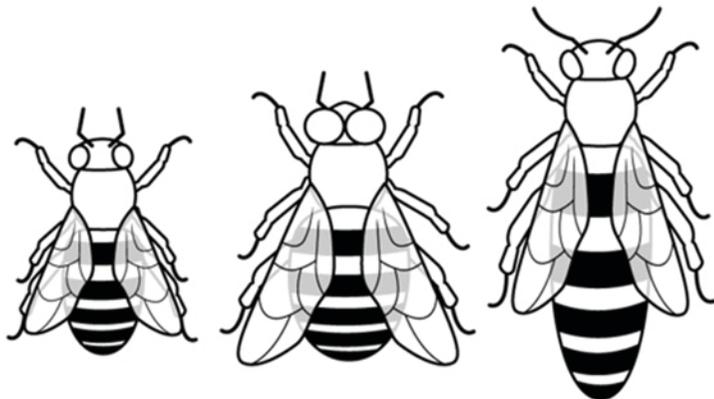

A. É a principal componente da colmeia porque mantém a harmonia no trabalho, além de ser responsável pela produção.

B. São responsáveis por fecundar a rainha, dando continuidade à vida na colmeia.

C. Cuidam da higiene da colmeia, garantem o alimento e a água de que a colônia necessita coletando pólen e nectar, produzem a cera para formar favos.

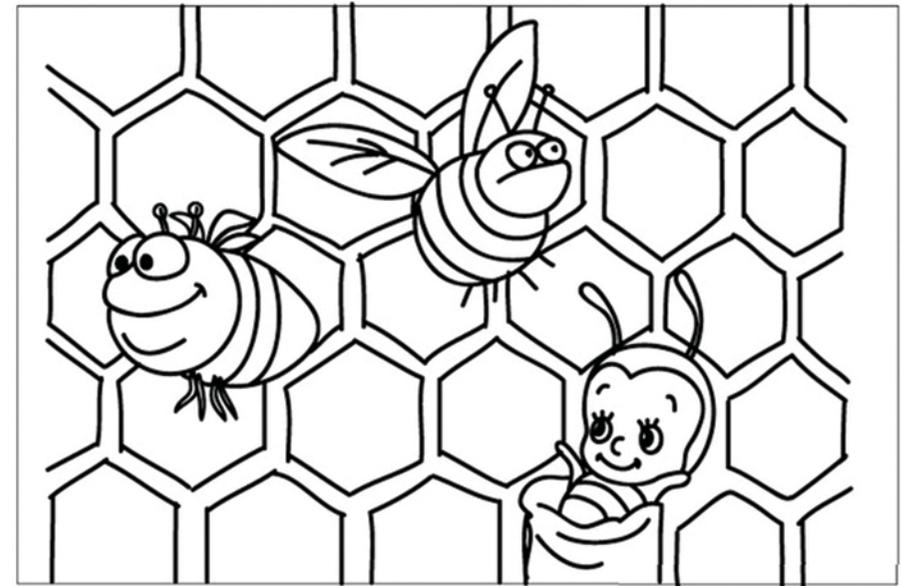

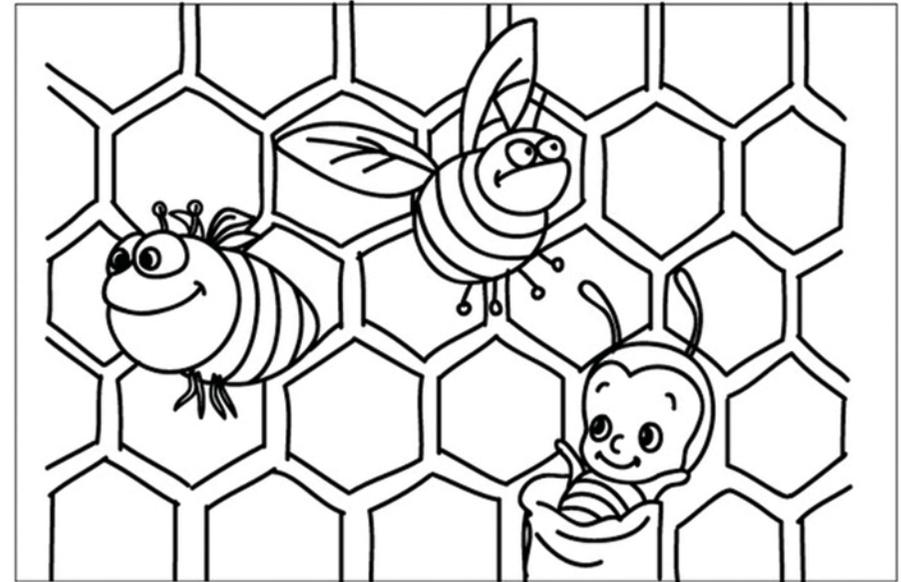

**OPERÁRIA**

**ZANGÃO**

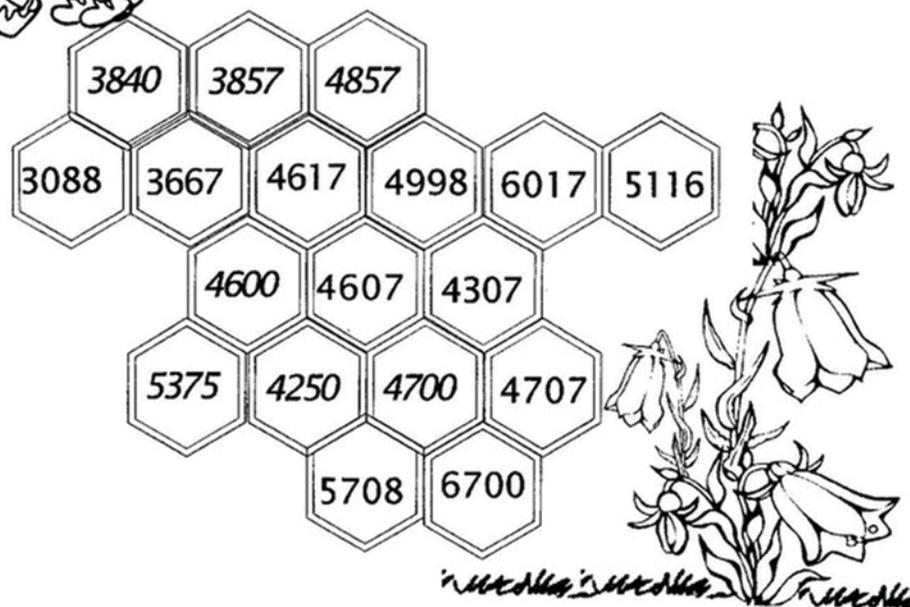

**RAINHA**

*Descobre as dez diferenças...*

Siga as instruções para levar a abelhinha até o jardim

- A primeira casa é  $3 \times 1000 + 8 \times 100 + 5 \times 10 + 7$
- Subtraia 1 centena e 9 dezenas
- Adicione 9 centenas e meia
- Subtraia 17 unidades
- Tire 3 centenas e meia
- Some 4 centenas e meia
- Acrescente 2 grupos de 1000
